A move towards mixed L2 classes in the primary school

From September 2019, there will be mixed ability L2 classes from P1 to P5. Language levels will be mixed in L2 classes and teachers will differentiate their teaching so that each student progresses at his/her own pace.

The goal is to optimize the L2 teaching of English for all students, regardless of preschool background or family context.

Enrichment classes will be organized by L2 teachers for advanced students in English.

Rattrapage

Rattrapage classes are for children who are new to the school with little or no prior knowledge of English starting in P3, P4 or P5 students. They can benefit from a maximum of 2 years of this support, twice a week (from 12:30 to 1:15 - Monday and Thursday or Tuesday and Friday).

L2 teachers encourage parents to expose their children as much as possible to oral and written English. They are counting on the presence of parents/guardians at the information meetings which will take place at the beginning of the school year. Parents can contact teachers by email or their child's agenda.

We wish you a great start to the new school year!
