What do I do if my child has an accident when participating in school activities?

Depending on how serious the accident is, and the amount required to pay, assess whether or not to submit an accident declaration form. The school's insurance policy for accidents is complementary, so the procedure is to submit medical costs in the usual way to the Joint Sickness Insurance Scheme (JSIS) or 'Mutuelle' (usually 85%). The school's insurance company, Ethias, then pays the difference.

If you do decide to submit a claim:

1. Complete sections 2/3/4 on the **first page** (*section 5 is for a sketch of broken glasses, if applicable*).
Page 2 is *only* for accidents involving others, such as cyclists, car drivers, or instigators of violence against the insured. It isn't often needed, so can remain blank.
On **page 3**, fill in your name and JSIS membership number (*N° d'inscription*) OR place a *Mutuelle* sticker there and *sign at the bottom of the page*.
Page 4 should be filled in and signed by the attending medical professional.
2. Send the completed declaration form to Nikola Jacques either by e-mail (nikola.jacques@eursc.eu), post (*European School Brussels I, Av. Du Vert Chasseur 46, 1180 Uccle*), or drop it off for him at the Château's reception desk. He will then submit the information to Ethias and send you the reference number for the claim.
3. Pay all bills for the various medical treatments received following your child's accident.
4. Claim reimbursement in the usual way from the Joint Sickness Insurance Scheme (JSIS) or your 'Mutuelle'.
5. Send the final statement from JSIS or the *Mutuelle* which indicates the balance to be paid, together with accompanying documentary evidence (bills, official receipts, prescriptions etc.) to Ethias, referencing the claim number you were issued. Ethias should then reimburse you for the outstanding amount.

Is there a time limit for submitting the declaration form?

Submission of the declaration form should be within a reasonable time limit, estimated by Ethias to be several weeks after the accident.

How do you define 'school activity'?

Pupils are considered to be on a school activity '*intra and extra muros*' when they are under the responsibility of the school both during and after classroom hours, including extracurricular activities organised by CESAME, holiday periods, in Belgium or abroad. Activities carried out as private initiatives are not counted as school activities.

Are pupils covered by this insurance on the way to and from school?

For accidents yes, for civil responsibility no.

Mr. Nikola Jacques is available for questions relating to school insurance and may be contacted by e-mail: nikola.jacques@eursc.eu or by telephone: 02 373 86 03 on Mondays, Tuesdays, and Thursdays from 8h30 -14h30 and on Fridays from 8h30-12h45.
