SCHOOL YEAR

The students who are doing their Work Experience should not forget that they are the representatives of their European School in the specific work environment.

They should therefore ensure that the following principles are applied:

- Arrive on time.
- Respect the dress code.
- To be polite and respectful.
- Respect any cultural or other differences.
- Ensure that employers take the work experience seriously.
- Respect the internal rules of the organization they work for.
- Respect the confidentiality rules applicable in the organization they work for.
- Use social media appropriately according to the conditions in force in the organization for which they work.
- Full respect of all laws, regulations, codes of conduct, etc., including sanitary measures (COVID19, etc.)
