

B TESTS IN S4

There are four B tests in S4:

First semester

B1 Test

B2 Test in December

Second semester

B3 Test

B4 Test in June

B1 and B3 Tests

For **L1, L2, L3 and option courses**, the B1 test will be held at any time during the 1st semester and the B3 test will be held at any time during the second semester. In languages, it will assess the oral skills (production or comprehension). This assessment may take various forms (oral presentations, pleading, participation in a debate, role-playing, etc.). For options, this evaluation could be a presentation, a project, etc. The modalities of this evaluation will be communicated in September via the letter to the parents or via the agenda.

For the other subjects (**Maths, Biology, Physics, Chemistry, History and Geography**), the teacher organizes the B1 and B3 tests during the week indicated in the calendar, at the time of his choice. During these weeks, classes continue normally and each teacher continues to assess students for the A mark.

B2 and B4 Tests

A calendar will be sent to teachers and parents one month before the tests. The B2 and B4 tests will be organized over 2 weeks, there may be 2 tests per day. During these two weeks, teachers will not assess students for the A grade and will not give homework. These B tests will take place in class. The B4 biology test is replaced by a project work;

Student's marks for the B1 test and the B2 test will be recorded in the report of January. The marks for the B3 test and B4 test will be recorded in the report of June. In the Autumn and the Spring reports, students will just receive an A mark.

B mark of the first semester: average B1 mark + B2 mark

B mark of the second semester: average B3 mark + B4 mark
