Depending on the needs, the European School Brussels I (EEBI) is looking for a

MATHEMATICS AND INTEGRATED SCIENCES TEACHER – SECONDARY CYCLE - LATVIAN SECTION +- 18 periods - fixed-term contract

EEBI is part of the European Schools system and provides education for children whose parents work for the European institutions. Our school community is made up of 3,400 pupils of 60 different nationalities and over 400 members of staff from Member States and beyond. Pupils are taught in eleven main language sections: Danish, Dutch, English, French, German, Hungarian, Italian, Latvian, Slovak, Slovenian, Polish and Spanish. Located on a spacious and leafy campus in the south of Brussels, we aim to offer innovative and inclusive teaching programmes that achieve outstanding academic results. Information about the European Schools in general is available at www.eurisc.eu.

- Deadline for applications: before 18/08/2024, 23:59
- Interviews: End August 2024
- Start date: 01/09/2024
- Gross monthly salary: €286.46 per weekly teaching period
- Location: Brussels, Belgium
- Type of contract: Locally recruited, part-time, 1-year fixed-term contract (31/08/2025)
- Rules for [locally recruited teachers in the European Schools](#)
- In some cases, installation and removal allowances will be granted to the new staff member.

Candidates must meet the following conditions:

- Command of the Latvian language equivalent to that of an educated native speaker
- Appropriate diploma: diploma for teaching mathematics and sciences in accordance with the regulations of the Ministry of Education.
- Recent experience in secondary education
- Proven experience of excellent teaching practices and teamwork
- Experience of teaching mathematics and sciences
- Ability to teach mixed classes using effective differentiation
- A high level of professionalism and attention to student welfare
- Willingness to contribute to the life of the secondary school

Preference will be given to a teacher who :

- has teaching experience in a European or international school
- incorporates new technologies as a teaching tool
- undertakes to teach from the lower secondary cycle to the baccalaureate cycle
- fluency in another European language

To apply, please submit the following documents to UCC-RECRUTEMENT-SEC@eursc.eu with the subject "**136.-MATHS SCIENCES LV - LAST NAME First Name**", before 18/08/2024 , 23.59

- CV (europass format - **pdf**)
- covering letter (**pdf**)
- photocopies of certificates/diplomas (in a **separate pdf** document)

Applicants are also invited to submit any additional documents they consider useful, such as a letter of recommendation or a recent assessment.

Please note that only applicants who have completed all the above steps will be considered eligible.

Interviews will take place as soon as possible. Only candidates invited to interview will be contacted by telephone and e-mail.

Shortlisted candidates must provide a clean criminal record (model 2 - for access to an education-related activity in Belgium or any other similar document for another country of origin) at the interview.
