Document to be filled out online

Colour of card	Card and relevant year	Rules	Rules
Red	S1 à S7	Attendance is compulsory from the beginning of P1 until P9 or until the end of lessons on Wednesday. A red card means that you must remain on the EEB1 site until the bus leaves in the evening.	
Yellow	S1 à S7	From 11.40am, you can leave if there are no more lessons until the end of the day.	
Green	S4 et S5		Exit authorized during lunch time (P5, P6 or P7 depending on the level).
	S6 et S7		Exit authorized during a free period.
It's not permitted to leave the school during the morning break			

- Pupils who have left school may not return unless they have a green card. However, leaving school after 3 p.m. excludes them from returning to take the school bus.
- It is clear that any pupil attempting or succeeding in leaving without authorisation, taking advantage of a large flow of pupils making individual checks problematic, would be putting themselves in an irregular situation and would be treated and considered as such.
- It is possible to change the colour of the card during the year by purchasing a new card.
