SCHOOL ACCESS

ACCESS AND PARENTS BADGES

The access to school is subject to restrictions and may be completely prohibited at certain times. Cyclists and motor cyclists **must dismount at the entry** and **leave their bicycles, mopeds and motorbikes in the designated areas next to the entry gates**. Bicycles, scooters, skateboards, and rollerblades **may not be used or left on-site or on the road around the school**.

Nursery, P1 and P2 parents must be in possession of a parents badge in order to be able to access the school.

NUR: The parents drop off and pick up their children in the hall of Fabiola building.

P1/P2: Parents can access the school at the end of the school day, to pick up their child in room S.O.01 Erasmus building. During the first 10 days of the school year, access is also authorized in the morning, to bring their children to the P1/P2 yard.

Access to the buildings is not authorized.

The badge is valid until the end of P2. You can find all necessary information concerning badges and how to get one on the website of the school: <https://www.eeb1.com/en/access-badge-for-parents/>

During school hours, access to school is only possible for parents of nursery, P1 and P2 pupils who come to bring or pick up their child with an authorization from the secretaries to be requested **at least two school days beforehand** to the class teacher and to be shown to the guards at the entry of the school (**access only through the OPSTAL entry**).

Any other person coming regularly to pick up a nursery, P1 or P2 child (e.g. grand-parents, babysitter) needs to have a personal badge or an exceptional authorization, if the situation is exceptional. This authorization is to be requested to the class teacher **at least two school days beforehand**.

For the various evening events organised by the management team, entry and exit is via Chaussée de Waterloo, unless stated otherwise in the invitation for the event. In this case, parents will receive specific information on the subject. During times with restricted access to school, all meetings will take place on TEAMS only.

This badge is handed out to the parents during the Nursery and P1 Teacher-Parents-meetings. The P2 class teachers hand out the badges to their new pupils during the first school day. In case of loss, a new badge is available in the secretary's office 1st floor Erasmus (S.1.36).

CLASS SCHEDULE

Uccle site	Nursery, 1st and 2nd year primary	3rd, 4th & 5th year primary
Monday, Tuesday & Thursday	8.15-15.45	8.15-15.45
Wednesday	8.15-12.30	8.15-12.30
Friday	8.15-12.20 (MAT) 8.15-11.50 (P1 and P2) Afternoon: no lessons	8.15-15.45

SUPERVISION

Pupils are supervised **20 minutes before and after lessons**.

Supervision of pupils on the Uccle site begins at 7h40 for the pupils arriving by school bus (there is no supervision before this time).

Pupils are supervised during the breaks and lunch time (lunch and free time).

Pupils who take the school buses must board directly and stay in the bus until they leave.

In case they do not go home by school bus, pupils are picked up by their parents:

- **Nursery pupils:** in the Fabiola entry hall
- **P1 and P2 pupils:** in room S.0.01 ERASMUS building.
- **P3 to P5 pupils:** at the small gate Chaussée de Waterloo or the Opstal gate, to be detailed in the agenda for the whole school year – a spontaneous change is not possible, except if clearly indicated by the parents in the agenda on the page of the day concerned.

For security reasons, Nursery and Primary pupils may not leave the school alone. Only P5 pupils can be exceptionally authorized to leave the school alone. In this case, parents have to fill in the last page of the agenda and date and sign to agree to discharge the school of any responsibility. The page has then to be stamped and signed by the Direction, in the Secretaries office (S.1.34/S.1.36).

The pupils of P4 and P5 can pick up their little siblings of P1/P2 in room S.0.01 to go to the gate where they are expected by the parents. In this case, the parents fill in the penultimate page of the agenda, date it and sign it. The page must then be stamped and signed by the Management, at the secretariat (S.1.34/S.1.36).

The presence of pupils and parents outside of school hours is not permitted on the school site. Parents coming to pick up their nursery, P1 and P2 children are asked **to leave the site immediately and not to stay in the school yards or playgrounds**.

Please note that as soon as lessons end, pupils are no longer covered by the school insurance.

SCHOOL FEES FOR THE NURSERY AND PRIMARY CYCLES

The fees have been approved by the School's Administrative Board. You will find the details of these fees on the website of the school by following this link: [LINK](#)

These school fees are compulsory and must be paid by parents of children in Categories I, II and III. These fees are due and cannot be reimbursed, even if the pupil is enrolled or leaves the school during the school year.

Upon receipt of the itemised bill, the amount needs to be paid within 30 days (Please, do not forget to check your spam box from time to time).

Parents are requested to inform the school's Administration in writing of any change regarding their employer or their employment status, to the following e-mail address: cristina.pop@eursc.eu indicating the exact date of this change.

Any change of information in the family's personal data (phone number, address, etc.) must be communicated to the following address: UCC-ENROLMENTS@eursc.eu.

EDUCATIONAL MATERIAL

AGENDA

At the start of the school year, each nursery and primary pupil receives an *agenda* to mark down homework assignments and items to bring to school, as well as other useful information. **This agenda is the official means of communication between the school, teachers and families.** Please consult it daily.

The school invoices parents for the agenda (please see 'fees' above). One single copy shall be provided to each pupil. Parents with shared custody of their child/children are requested to make sure that the child shows the agenda to both parents for them to sign.

In case of loss of the diary, the amount of 4,50 € must be paid by bank transfer to the account **BE39 3100 9225 0019** with the indication "**AGENDA + NAME and first name of the child**". The agenda can then be collected from the secretariat (S.1.36, 1st floor ERASME), on presentation of the proof of payment.

INTERMATH BOOKS

The booklets are distributed by the teachers. The school invoices parents for Intermath (see 'fees' above).

In case of loss of the Intermath books, the amount of 10 € must be paid by bank transfer to the account **BE39 3100 9225 0019** with the indication "**INTERMATH + NAME and first name of the child**". The book can then be collected from the secretariat (S.1.36, 1st floor ERASME), on presentation of the proof of payment.

SPORTS AND SWIMMING

A European school sports kit is required for all pupils of Nursery and Primary school (T-shirt and short which can be personalized).

A school swimming cap is required for all pupils of Primary school.

The gym kit and the swimming cap have to be ordered via the following web shop:

<https://eeb1.shop4schools.eu/>

Please note that shipping costs apply to each order which is why we advise to group orders.

Please order before September so that your child can start gym classes with the required clothing as from the start of gym and swimming lessons, at the beginning of the school year. Please note that it will not be possible to buy gym clothes in the school.

For any questions or claims, please contact Jako's client service directly.

You will also find the information concerning the ordering of gym clothes on the school's website:

<https://www.eeb1.com/en/general-information-en-2/>.

<h3>VALUABLE OBJECTS</h3>

The pupil's name should be written on all his clothes and on all the objects he/she brings to school, in order to have a better chance to find them back if lost by the pupil.

Lost objects can be picked up by the pupils in **Eurêka** during their opening hours which you can find on the APEEE Services' website.

Valuables, mobile phones, electronic games, etc. have no place at school and will therefore stay at home. The school declines all responsibility in the event of theft, loss or deterioration.

Mobile phones are not allowed on school campus for pupils of Nursery and Primary school (even during the breaks or after school). Pupils for whom a mobile phone is essential (for example because they take the school bus to go home and have to contact their parents), will keep their phone switched off at the bottom of the school bag throughout the school day and until they are on their school bus.

Connected watches can only be used as watches (offline) and in any case to call or send messages or to track your child. **Tracking devices are not allowed on the school campus.**

EDUCATION VISITS – CLASS TRIPS

EDUCATION VISITS

The curriculum for nursery and primary cycles attaches great importance to environmental studies and learning by observation and practice. It is with this in mind that educational visits and excursions are organised during the year. They are invoiced directly by the school (see ‘school fees’ above). An additional individual activity might possibly be organized by the class teacher. In this case, a separate payment will be requested by the class teacher.

CLASS TRIPS

The school organises educational trips (*classes transplantées*) for the primary classes. All educational trips are organised by the *trip* Coordinator of the level concerned.

School trips planned for the 2025-2026 school year

Year	Place	Duration	Prices are still to be determined
3 rd year primary	Environmental classes	4 days	
4 th year primary	Mountain classes	5 days	
5 th year primary	Language trip France	5 days	
	Language trip England		
	Language trip Germany		

Please note that class trips are part of the school curriculum. Absences are regulated by art. 30 of the General rules of the European schools. A pupil who does not participate in a class trip will attend lessons in a class of the inferior level of his/her language section. In case of accident or illness before the departure, a medical certificate has to be handed in.

Full payment of costs guarantees the pupil's participation in the trip.

The trip attendance certificate (for health insurance, parents' employer, etc.) will be handed out by the class teacher to pupils the week after the trip. We advise to make some copies so that you have one for each organisation that wishes to receive it.

ABSENCES AND AUTHORIZATIONS

The reference document concerning absences is the General Rules of the European Schools, Art. 28 and 30 – Regular attendance of lessons which parents sign for agreement in the enrolment file of their child. It applies to all cycles, including nursery.

A pupil's enrolment in nursery or primary implies the obligation to participate in all classes which are part of the curriculum and to do what is requested in terms of work.

Pupils should attend classes regularly and punctually according to the school calendar and the schedule given to them at the beginning of the school year.

In case a pupil has more than 10% of absences in one or more subjects, the pupil's promotion to the next year may be compromised.

1. Late arrival

Pupils who arrive late will immediately go to their **classroom**. Any late arrival has to be justified by the legal representatives and will be registered by the teacher.

Late arrivals after a national or school holiday are unjustified.

2. Absences

Any absence has to be justified in written to the class teacher with the L2 teacher in copy.

- 1st day of absence: inform the class teacher and L2 teacher early in the morning. Unless the class teacher is absent, there is no need to inform the secretaries.
- As from the 3rd day of absence: provide a medical certificate to the class teacher the day the pupil returns to school.
- The pupil cannot come back to school before the recovery date indicated in the medical certificate, unless he/she presents a counter certificate.

Important: Absences are not authorized the days before or after a national and/or school holiday. They must therefore be justified by a medical certificate.

3. Non-participation in Physical Education lessons (Gym-Swimming):

- In case a pupil is not able to participate in gym or swimming lessons, he/she accompanies the class to the lessons and presents a written justification
- As from the third non-participation a medical certificate has to be handed in to the class teacher.

4. Absences for a medical appointment – Early leaving

Medical appointments should be made outside school hours. If unavoidable, requests for absences must be made:

- **To the class teacher, in the agenda AND by email with the L2 teacher in copy**
- **At least two school days beforehand, in French or in English**

Important:

- **It is not possible to request an early exit for the same day**
- **It is not possible to request an early exit before a school holiday.**

Thank you for no longer contacting the secretary's office for this kind of requests.

The class teacher will send you the authorization to pick up your child by email.

- **Nursery, P1 and P2 pupils** are picked up by their parents in the school according to the information given by the class teacher.
- **P3 to P5 pupils** go alone to the exit OPSTAL where they are picked up by their parents.

Pupils may leave school only during a break or between two lessons, in order to not disturb lessons.

Medical visits must always be justified by a medical attestation of attendance.

NEW: Late arrivals: in Nursery, P1 and P2, parents can enter with their child by presenting the medical certificate to the security guards. This certificate will then be given to the class teacher, via your child's agenda. Only Nursery pupils can be accompanied to their class room. P1 and P2 pupils go to their classroom alone from the playground (access to the buildings is not authorized).

5. Permission for absences on personal grounds

Permission for absence must be requested **at least 7 schooldays (workdays) in advance** and with a justification in writing to the secretariat of the Deputy Director to the following address: (UCC-SECRETARIAT-NUR-PRI@eursc.eu).

Except in cases of *force majeure*, permission for absence may not be granted for the week preceding or the week following school holiday periods or public holidays (Art. 30, 3c. iv. of the General Rules).

6. Third-party authorizations

If your child is to be picked up by someone other than the parents/legal guardians, this must be clearly indicated in the pupil's agenda.

If this concerns a Nursery, P1 or P2 pupil, this person will need an access authorization **to be requested from your child's class teacher at least two school days in advance**.

Such authorization cannot be renewed on a regular basis. In this case, parents are asked to order a parent badge for this person.

7. Visits from former pupils

Visits by former pupils to their class are possible for a maximum of one day per year, from 1st October to 31st May of each school year. Outside these dates, no visits will be authorized.

A visit cannot be organized during a planned school trip for the class or a class activity.

Requests for visits should be sent to UCC-SECRETARIAT-NUR-PRI@eursc.eu at least two weeks before the planned date of the visit.

REQUEST FOR A SUBJECT / LANGUAGE CHANGE

According to art. 47 e of the General Rules, it is not possible to request a change of section (L1) or L2.

A change of Language 1 may only be authorized by the Director for compelling pedagogical reasons, duly established by the Class Council and on the initiative of one of its members.

In very exceptional cases, **for an L2 or religion/ethics change**, a motivated request has to be introduced by the legal representatives in written, to the Deputy Head in charge of Primary school (through the secretariat: UCC-SECRETARIAT-NUR-PRI@eursc.eu).

Any change of course (L2, religion/ethics) has to be requested before 31st May of the school year preceding the school year in which the change will apply. The decision for the change is taken during the class councils end of June for the following school year.

Change of L2:

“Revision of the Decisions of the Board of Governors concerning the organization of studies and courses in the European Schools, [2011-01-D-33-en-9](#)”

2.2 Change of languages

a. Normally no changes are envisaged in language choices, **except on entry to year 6**, (...)

However, a change of L2 may be considered for the following academic year if the following procedure is followed:

- **Before 31 May** of the current school year, parents must send a written request stating their reasons (via the secretariat: UCC-SECRETARIAT-NUR-PRI@eursc.eu).
- The pupil will be tested and a report drawn up by the LII teacher and the class teacher.
- The Class Council will give its opinion at the end of the school year and takes the decision of a possible change for the following school year.

END OF SCHOOL YEAR

Attendance of lessons is compulsory until the very last school day.

If your child leaves the school permanently, please inform Ms. EVRARD in writing **before 15th June** of the current school year: <https://www.eeb1.com/en/enrolments/withdrawal/>

The school reports are published on the official last day of school, 03/07/2026.

The school prepares leaving certificates the week after the last day of school. They are sent to the leaving families to the address communicated by them to the school, under the condition that all outstanding school fees are paid and that all borrowed books have been returned to the school library.

COMMUNICATION BETWEEN THE DIFFERENT PEOPLE INVOLVED IN SCHOOL LIFE

1. DIALOGUE

Approved by the Education Council of Nursery and Primary on 2nd December 2008

The vast majority of cases are resolved through constructive dialogue, explanation, common sense and a professional attitude.

1. The first step is to contact the person/s concerned, usually the class teacher. Parents are not allowed to directly address a pupil if not their own child.
2. If the problem persists, a meeting may be organised between the Deputy Director and the persons concerned, to which a support participant may also be invited.
3. The next stage is a follow-up meeting between the Deputy Director and those persons who are involved.
4. In cases where the situation is still not resolved, the school Director may then be called upon to intervene.

The school has a KiVa team working on harassment in school. All information concerning the KiVa Project is available on the school's website at: <http://www.eeb1.com/en/kiva-2/>

2. COMMUNICATION

The agenda is the main communication tool between parents and school. For any communication requiring a faster response, the teachers or services concerned can be contacted by email.

For any urgent communication, pupils and parents have the possibility to contact the secretariat of the nursery and primary school by phone (02 / 373.87.15 and 02 / 373.87.12).

Please, always indicate the NAME, First Name, Cycle, Level, Section and class (ex.: P5 ENa) in any communication to the administration.

3. TEACHERS APPOINTMENT HOURS

No individual appointments can be made with teachers on the first day of term or during general parents' meetings. An appointment can be requested via the child's agenda or by email to the teacher concerned.

The privacy policy also applies to the use of photos and videos on the school campus and in the context of school trips and must be respected at all times by parents and teachers, but also by pupils.

Thus, it is prohibited for parents to film or take pictures of pupils or teachers without their consent. This applies also to accompanying persons during excursions or class trips.

SCHOOL INSURANCE

If you have any questions about school insurance, please contact our insurance manager by e-mail: ucc-insurance@eursc.eu or by phone: 02/373.87.23.

Reminder of the provisions of Article 33 of the General Rules of the European Schools concerning school insurance:

“The School shall take out a collective insurance policy to cover the civil liability of a pupil’s legal representative in all cases where action could be taken against him/her as a result of an accident caused by the pupil to other pupils, to a member of staff or to third parties.

This insurance policy shall also cover reimbursement to pupils who are victims of accidents, or to persons entitled under them, of expenses (medical treatment, hospitalisation, etc.) incurred and payment of lump-sum compensation under the terms of the policy, which can be consulted in the School’s Secretariat.

In return for such cover the pupil’s legal representatives shall pay 85% of the premium fixed by the insurance policy.

The insurance cover provided for in this article shall be limited to personal accidents on school premises or on the way to and from school and during an outing organised by the school.

Cover for damage to property and other damage occurring off school premises shall be the responsibility of pupils’ legal representatives”.

Article 34 of the General Rules of the European School concerning school insurance:

“The school shall not be responsible for objects brought to school by pupils.”

Please note that even though a parking space is provided for bicycles, scooters and motorcycles, they are left at the owner’s own risk.

Extra-curricular activities organised by CESAME (APEEE-Services) are also covered by the insurance policy.

Under certain conditions, Ethias will reimburse damage sustained to pupils’ glasses worn at the time of an accident.

The parents' share of the premium amounts to 6.50 € per annum per child enrolled, to be paid directly to the school (see “School Charges” section on page 6).

If a child has an accident at school, parents should make photocopies of all relevant bills and receipts. These copies must be attached to the detailed summary of what has been paid by the Health Insurance Scheme (*Caisse de Maladie/Mutuelle*) in order to obtain reimbursement of the outstanding amount.

Extract from the school's insurance policy:

1. Pupils enrolled at the school are covered, according to the conditions of the policy, for accident and civil responsibility (damage to a third party), when engaged in school activities.

The contract covers accidents only to pupils on the way to and from school (even when unsupervised). Civil responsibility is therefore not covered.

2. Pupils who arrive earlier / too late at school are also covered.
3. Pupils who leave school during the afternoon after their lessons but who return to school to catch the school bus are not covered by the school's insurance policy when outside the school grounds.
4. Pupils who leave school at lunchtime to go somewhere other than their home are not covered by the school's insurance policy.
